*There was a great response to the Financial Committee's letter as May's giving reflected. However, the giving in June was very low adding to the deficit. As of June 30 we were \$4797 short for the fiscal year, which began Oct 1. Our July fireworks fundraiser will help cut this deficit to about \$800 once the final check arrives. There are no more fundraisers for this fiscal year. So give prayerfully, consistently, and sacrificially.
